Court Proceedings.

The jury in the case of the State against A. J. Sanders, charged with murder, failed to agree on a verdict, and a mistrial was ordered on Wednesday morning. This case more than any other at this term excited great interest. It will come up again at the fall term, and in the meantime Mr. Sanders will be out on bond.

Henry Chiles was tried on the charge of murder. He was implicated in the difficulty at Piedmont a few weeks ago in which two negroes were killed. The testimony offered by the State failed to establish the charge, and Solicitor Boggs agreed to request a verdict of not guilty of murder, but insisted upon a verdict of guilty of carrying unlawful weapons. Chiles was sentenced to pay a fine of \$20 or serve 10 days on the chain gang. Geo. E. Prince represented him.

The case of John Thompson, who cut Harley Gailey at the Gluck Mills a short time ago, came up for trial Wednesday morning. He was charged with assault and battery with intent to kill. The jury returned a verdict of guilty of assault and battery of a high and aggravated nature. He was sentenced to pay a fine of \$75 or serve 12 months on the public works of the County. The fine was paid. Thompson was represented by G. H. Geiger and J. L. Sheppard.

Arthur Linder, a negro boy, entered a plea of guilty to the charge of housebreaking and larceny, and was sentenced by Judge Townsend to serve on the chain gang for ten months.

J. W. Bradberry, a young white man of the Fork, was tried on the charge of assault and battery of a high and aggravated nature, and was sentenced to pay a fine of \$75 or serve on the public works of the County for 12 months. Bradberry represented the defendant.

The case of Curley Ayers, who cut R. D. Henderson, a salesman in the Anderson Cotton Mill store, next came up. Ayers was tried for assault and battery with intent to kill, and the jury brought in a verdict of guilty of assault and battery of a high and aggravated nature. His sentence was \$100 fine or 12 months on the chain gang. He paid the fine. Geo. E. Prince represented Ayers.

Arden Jackson, a negro boy who has committed several small burglaries about town, entered a plea of guilty, and was sentenced to imprisonment for three years in the penitentiary.

The petit jurors were dismissed Wednesday afternoon, and the adjournment of the court of sessions was had Thursday morning. Several cases were continued until the fall term.

A Severe Storm.

Last Saturday night about 10 o'clock a severe electric storm, accompanied by a heavy rain, visited this section. A number of telephones in the city and the long distance line to Belton were burned out.

Sunday afternoon about 5 o'clock another electric storm, accompanied by considerable hail and the heaviest rain we have had this year, passed over the city and considerable damage was done in several sections of the County. Lightning struck the barn of J. A. Hall's plantation, in Varennes Township, near the Gluck Cotton Mill, and killed a mule belonging to his tenant, J. A. Morgan. One end of the building was torn out, and a lot of produce stored in it was scattered and damaged. Mr. Morgan is a poor man, and the loss of his mule at this season falls quite heavy on him.

A mile or so south of the Hall plantation lightning also struck the barn of Thos. J. Elrod, and a valuable horse belonging to Dr. H. E. Thompson was killed. The latter gentleman was at Mr. Elrod's on a visit, and had just put his horse in the barn out of the rain. The barn was only slightly damaged, and there were six or seven other mules and horses in it with Mr. Thompson's, but none of them were injured.

In Rock Mills Township lightning struck Miss Julia Burris' barn, which was totally destroyed, and a horse and several cows were killed. Her loss will amount to about \$1,000, on which there was no insurance.

In many sections of the County, the heavy rain badly washed the land, and on some farms the terraces were destroyed and the crops injured. In and around Belton the hail was very heavy and did much damage to the growing crops.

The storm seems to have been general over upper Carolina, and much damage was done in Greenville and Spartanburg Counties. In the latter county a negro was killed by lightning.

A Painful Accident.

Last Friday Mrs. A. T. Pressley and her little son, James, aged 13 years, of the Seque section, visited the city in a horse wagon. About 5 o'clock in the afternoon they started on North Main street on their way home, and when opposite the residence of Mrs. A. P. Hubbard the horse became frightened by an approaching automobile. Mrs. Pressley drove the horse upon the sidewalk, and the little son of 13 attempted to jump out of the wagon to catch the horse by the bridle. As he jumped he fell, and his right arm was caught under one of the wheels and dragged for several yards. The arm was broken between the wrist and elbow and the boy was painfully injured. He was brought to the Evans Pharmacy, where Dr. J. M. Richardson set the bone, and shortly afterwards James in a bright, energetic boy, and we wish him a speedy recovery from his unfortunate accident.

A Brilliant Wedding in Belton.

Miss Mamie Latimer and Mr. Luther Martin Heard, of Elberton, were married Wednesday morning. The ceremony was one of the most brilliant that has been held in the Piedmont for years. The high standing of the bride, her father's position and the wide acquaintance of and relationship of the groom, who is a member of the South's oldest families, all contributed to make the occasion one of absorbing interest to hundreds of people.

At the home of the bride a wedding breakfast was served to hundreds from noon until 3 o'clock. The ceremony occurred at the Methodist church, and was performed by the pastor of the bride, Rev. A. J. Cauton, of Williamston, assisted by Dr. E. J. Bigham, of Elberton. John E. Heard, of Elberton, was best man, while the maid of honor was the sister of the bride, Miss Anna Latimer, who has recently graduated from Converse College. The attendants were friends of the bride and groom, from Elberton, Atlanta and Washington.

After the ceremony Mr. and Mrs. Heard left for an extended wedding tour, the itinerary of which has been kept a profound secret. After their return they will be at home to their friends at their residence in Elberton.—Belton Times.

Marriage of a Popular Couple.

Mr. Albert M. Sharpe, of this city, and Miss Zula A. Brock, of Due West, were married Thursday, June 16th, in the A. R. P. church at Due West. The ceremony was a very impressive one, and was performed by Rev. O. Y. Bonner. Immediately after the ceremony Mr. and Mrs. Sharpe took the train for Washington and other Northern points. The bride is a daughter of W. C. Brock, of Due West, and for several years has filled the position of instructor in music and drawing in the city schools here. She is well known in the city for her many personal attractions, intellectual gifts. Mr. Sharpe is an efficient book keeper of the Bank of Anderson, and is a popular and worthy gentleman. They will return to the city in a few days, and will then be at home to their friends.

Suit for Damages.

The past few days have been record breakers in Newberry in the matter of the bringing of damage suits, and a heavy docket awaits the term of the Common Pleas Court, which convenes there on the 18th of next month. Complaints in a large number of cases of a good deal of public interest were served on Saturday. Perditer Suber, colored, as administrator of the estate of Samuel Eigner, deceased, through his attorneys, S. J. Stone & Cromer, has brought suit against J. C. Daniels, formerly of Anderson, for damage in the sum of \$5,000, for the death of Samuel Eigner, who was killed by a skyrocket on Main street on last Christmas night. She charges Mr. Daniels with having set off the rocket in disregard of the public safety. Mr. Daniels will be represented by Cole L. Bleasdale and Fred H. Dominick, and the case will be watched here with interest by his many friends.

Death of a Good Woman.

Mrs. Sarah McGee, wife of E. J. McGee, died at her home in Savannah Township last Monday afternoon, after an illness of several weeks, aged 60 years. The deceased was a native of Elbert County, Ga., and her maiden name was Miss Sarah Goss. She had long been a devoted member of Cross Roads Baptist Church, where her remains were interred yesterday. The funeral services being conducted by Rev. G. M. Rogers, the presence of a large congregation of sorrowing friends. Mrs. McGee was a most estimable woman, and was held in high esteem by her many friends and acquaintances, who will long cherish her memory. She leaves a devoted husband but no children, her only daughter having preceded her to her eternal home a number of years ago. In his sore bereavement the venerable husband has the sympathy of his many friends.

Trolley Line 165 Miles Long.

The projectors of a trolley car line from Atlanta to Anderson, S. C., met in Atlanta yesterday morning and took steps for another survey of the proposed route. The line has been chartered by the Secretary of State, and the men at the head of the company have already had a route surveyed. It is probable that there will be some changes when the second survey is made.

The trolley line will be 140 miles long and will connect at Anderson with a trolley line from Greenville, making the whole line 165 miles in length. This will be the longest trolley car line in the South.

The meeting was held in the law office of Charles J. Hayden in the Prudential building and among those present were:

J. R. Hosh, W. P. DeLappierre, J. E. Hill, H. J. Sell, J. H. Lott, R. A. J. Atchey and A. C. Hosh, of Hoshon, this State; G. E. DeLoach, Mr. Little and Mr. Rampey, of Carnesville, this State; Dr. W. C. Pirkie, T. C. Flanagan and J. M. Williams, of Auburn, this State; A. J. Almond and Julius C. Johnson, of Lithonia; J. A. Campbell, of Cohasset, this State; Mr. Sawyer and Mr. Langford, of Snellville, this State; W. K. Sharpe, of Townville, S. C., and Dr. Conghlin and others, of Anderson, S. C.

A resolution was passed to make an other survey of the line, and to begin at once getting the rights of way and subscriptions.

A letter was received from the Chamber of Commerce, of Anderson, offering to render substantial assistance. At a meeting of the citizens of Jefferson and vicinity will be held at Jefferson on June 28. A similar meeting of the citizens of Commerce will be held on June 29. These meetings will be for the purpose of getting the co-operation of the people along the line.

The line now proposed will extend from Atlanta to near Stone Mountain, Lawrenceville, Hoshon, Jefferson, Commerce and Carnesville, this State, and thence to Anderson, where it will connect with the line now being built from that town to Greenville, S. C.

The first survey was made by Engineer Mayson, of Montgomery, Ala. He was at the meeting yesterday and the meeting of the citizens of Jefferson, which the projectors are now encouraging.—Atlanta Constitution, 16th inst.

In Memoriam.

The angel of death has again come into our community and visited the home of Mr. and Mrs. Cleveland Rice, in Hopewell Township, and took their only child, Sloan, on Wednesday, 18th inst., at 12 o'clock. Little Sloan was sick only a few days with diphtheria. He was only a year old, but was a bright little child of his age. On the day following his death the little body was laid to rest at Hopewell Church in the presence of a large crowd of sorrowing friends and relatives. A great sorrow the family have the heart felt sympathy of this entire community.

No good health unless the kidneys are sound. Foley's Kidney Cure makes the kidneys right and restores the health.

Well Fitted for the Office.

The time limit for filing the pledges of candidates for the various State offices in the approaching Democratic primary election expired last Monday evening. The Secretary of State is the only executive officer who will have an opponent, but there are several candidates for the position of Railroad Commissioner. The Columbia State, in speaking of the candidates for various offices, says:

"The incident in State politics yesterday was the filing of the pledge of Col. M. P. Trille as a candidate for Secretary of State against the incumbent, Mr. Jesse T. Gantt. Up to 11 o'clock there was only rumor that there would be opposition to any of the present officers in the State House and Col. Trille did not file his pledge until about a half hour before the time expired, which was a noon. Col. Trille has been a member of the Legislature from Anderson for the last term, and for many years was Clerk of the Court. For the last year he has been in charge of the work of collecting and recording the State Confederate rolls, having compiled them for the 'United States war department. He says that he intends making a quiet campaign on his own merits."

Col. Trille is well fitted for the position, and while his many friends in this County will regret not having him as one of our Representatives in the Legislature another term, they will be more than pleased to see him elected Secretary of State. Let us all go to work now and do our best to place him in that office.

A Sad Death.

Died, at the home of Mrs. S. E. Holland, on South Main street in this city, on June 15, 1904, at 3 a. m., James Crawford, youngest child of Mr. and Mrs. J. Lawrence McGee, aged two years and fifteen days. Mrs. McGee was having some scouring done at her home in Garvin Township on Monday, 13th inst., and a servant brought a bucket of boiling water and set it on the floor. The little child was playing and ran backwards and fell in it. His mother was near and instantly picked him up and took off his clothes, but, alas! too late, the fatal work was done.

They brought him here as quickly as possible to the home of Mrs. Holland, who is Mrs. McGee's mother, and called a physician and did all they possibly could to save his life, but he never makes a mistake, called him up higher, where he will join his little brother, who has gone before.

The sympathies of the people go out to the grief stricken parents, who will have "One less at home, one more in Heaven."

The remains were laid to rest in the Cemetery at Cross Roads Church, after funeral services conducted by Rev. J. W. Bailey.

Rock Mill News.

During the thunder storm last Saturday night Miss Julia Burris' barn was struck by lightning and burned down. The loss, two cows, a mule and rick, about sixty-five bushels of corn and about fifteen hundred bundles of fodder, on which there was no insurance. Her loss will amount to several hundred dollars. She has the sympathies of her many friends in this her misfortune. In talking to a friend of her misfortune she exhibited a commendable Christian spirit, for she said she would have been very glad to have her barn burned down.

S. W. Williford, Jr., was returning home from Anderson last Saturday night and was caught in the midst of the thunder storm near S. A. Jones' residence, and in the darkness of the night he could not see the road and his horse fell into a ditch about four feet deep, taking the buggy with him. It is remarkable that Mr. Williford did not get hurt at all, and his horse was not seriously injured, while his buggy was completely wrecked.

The bridge over Seneca River is now completed and it is a splendid one.

The County convicts are doing some good work on the public highways in this section.

W. J. Freeman, a respectable citizen of this township, was stricken with paralysis two or three years ago, does not seem to improve any. He is able to be up most of the time, and can walk about the house with the aid of a crutch.

He is now suffering from the serious illness of Mrs. James Babbitt, who is suffering from a complication of diseases, and she has the sympathies of her friends.

The farmers are about up with their work at present.

We had a good shower of rain Saturday night, and everything looks fresh.

The health of this burg is not good at present. Mrs. Ida Kiang is sick and L. E. Knight, baby doctor, who hope they will soon be restored to health. Our clever friend, J. C. King, is recovering from an attack of rheumatism.

J. F. Ellison had a rat killing the other day, when 207 were put to extinction, and it was not a good day for rats either. If anybody has any rats to kill they should get Mr. King to help them, for he stamped them to death. He could wash eight at a time. Mr. Editor, the man that has that many rats surely has something to eat, so we will go to see him.

The Farmers' Institute will be held at Williamson next month so we have been informed. The candidates will be on hand no doubt.
